## Maldives

The pearls of the Indian Ocean, as it is popularly known, are situated in the South West of Sri Lanka, on the equator. The numerous coral reef islands, 1,190 in total, form an archipelago of 26 major atolls (groups of neighbouring coral islands). Origins of the Maldivians is not very certain. Early settlers were travellers on the Silk Route, and from the Indus Valley Civilisation.

Celebrate your special honeymoon in Maldives at the most beautiful and romantic islands of Maldives. You could enjoy the privacy and intimacy of a secluded, natural setting and a warm inviting atmosphere, where the sunsets are spectacular! The Maldives resorts offer you not only the crystal clear waters and azure blue lagoons, food is tasty and services are excellent. As a welcome token, almost all Maldives resorts offers honeymooners fruit plates and flower decorated rooms on the arrival night - a romantic promise of what lays ahead.

On request, resorts also arrange romantic candle-lit dinners on the beach and also champagne breakfast served in the privacy of your own room, to make your honeymoon holiday memories that will last a lifetime!
