Tanzania

Tanzania is a country of many outstanding adventure and safari destinations in Africa. The plains of Serengeti, the snow of Mt. Kilimanjaro are only a fraction of what Tanzania safari has to offer. For anyone who has ever dreamt of Africa, those names are poetic invocations, calling up in the mind's eye all of the fabled attractions of the continent itself.

Breakfast at the lodge. After breakfast you drive to Lake Manyara National park. Game drive enroute. Lake Manyara National park is located beneath the cliffs of the Manyara escarpment, on the edge of the rift valley. It offers varied eco-systems, incredible wildlife and breathtaking views. The alkaline soda of the Lake Manyara is home to an incredible array of birdlife that thrives on its brackish waters. Pink flamingoes stoop and graze by the thousands, colorful specks against the grey minerals of the lake shore. Yellow-billed storks swoop and corkscrew on the thermal wind rising up from the escarpment and herons flap their wings against the sun-drenched sky. Even reluctant bird watchers will find something to watch and marvel at within the park. Lake Manyara's famous tree climbing lions are another reason to pay this park a visit. The only kind of their species in the world to make the ancient mahogany and elegant acacias their home during the rainy season, and are well known but rather rare feature of the northern park. In addition to the lions, the national park is also home to the largest concentration of baboons anywhere in the world, a fact that makes for interesting of game viewing of large families of primates. Arriving for lunch and later in the afternoon proceed for game drive. Lunch, dinner and Overnight at Lake Manyara Hotel.
