Indonesia

Bali is one of Indonesia's seventeen thousand islands. It is a very well-known holiday destination for visitors from both the West and the East. Although most visitors arrive by air with local domestic and direct international flights from several countries, Bali is also a short ferry ride from Java, Indonesia's main island. In a Muslim-majority country, Bali is culturally Hindu, with traditions and festivities celebrated nowhere else in the region.

The culture is best appreciated through the arts and food that the locals lovingly share with their visitors... but this culture sits in an uneasy truce with encroaching modernity in the form of resorts, golf courses, and malls sprouting up all over.
